Appliance Type Setup

Last Modified on 09/23/2026 10:17 am EDT

The system uses Appliance Types to track the types of appliances customers own. Set up a different code for each appliance to track. Appliances are tied to a customer on the *Appliance Information* window.

Division	Appliance Type	Appliance Description
1	Dry	DRYER
1	F	FURNACE
1	GL	GAS LOGS
1	W	WASHER
1	WH	WATER HEATER
