

Orders - SKY Energy

Last Modified on 05/07/2026 8:38 am EDT

Overview

A listing of all Energy Product Delivery Orders (PDO) is available in SKY Energy. The list can be narrowed down by selecting the **Filter** icon and entering a filter criteria or any grid cell with the search bar located in the header. When typing, the grid will populate based on the text entered. Choose the **Ellipsis** at the top to *Reset Grid* from filtering or *Autofit Columns*.

Columns displaying include:

- Ticket Number – Formerly known as *Call In ID*.
- Location
- Call In Date
- Due Date – This column defaults to ascending (oldest date at the top).
- Status – This column defaults to show *Incomplete* first.
- Customer
- Phone
- Tank Serial Number
- Order Type
- Tank Description
- Route
- Region

Note: Any field without data will show a double dash (--).

With access to SKY Order, review customer bookings from SKY Energy by selecting the **Bookings** link. This opens the *Bookings* page of SKY Order in a new browser tab.

A full page view of Product Delivery Order information is available by selecting the *Ticket Number* on the *Orders* grid or from the *Tank History* page.

For more information on how to use the *Energy Product Delivery Order* grid see, [Using Grids in Agvance SKY](#).

To view more Customer details, select the Customer name link to open that specific Customer's SKY Customer *Overview* page. Read more about the [SKY Customer Overview](#) page.

Product Delivery Orders

A user permission is required to enable adding or editing a Product Delivery Order within SKY Energy at SKY *Company Admin / User / Edit User*. Toggle on *Add/Edit Product Delivery Order* to add or edit a Product Delivery Order on the *Orders* page of SKY Energy that has not been invoiced. Invoiced PDO's will always be view only.

On view of a Product Delivery Order, selecting **Tank Serial Number** opens the selected tank information in a new tab and with access to SKY Customer, selecting **Customer Name** opens the selected customer's SKY Customer page in a new tab.

On the *Add/Edit* view of a *Product Delivery Order*, selecting **Tank Serial Number** opens the selected tank information in a new tab, and with access to SKY Customer, **Customer Name** opens the selected customer's SKY Customer page in a new tab. Also, to change or remove the selected tank on a new PDO, select **Remove Tank**. That tank will

be removed and the + **Add Tank** button will be visible again.

Delete Product Delivery Orders from the *Orders* page using the **Delete** action column if incorrect or unneeded. The SKY User permission *Delete Product Delivery Order* is required to use the Delete option.

Open SKY Energy / *Orders*, hover over the blue + icon, and select **New Product Delivery Order**.

On the *New Product Delivery Order* page, all fields will appear with sections expanded. The left navigation tree expands view upon hovering, and choosing a section will jump to that area of the form.

0 / 250

- **Call-in Date** – Required field that auto fills with the current date.
- **Due Date** – Required field that auto fills with the current date.
- **Additional Comments** – Include comments when creating a PDO for the driver to help with the order once received.

Delivery

Delivery

Product Name Propane - Home Heating	Product ID PropHH	Product Location Main Plant	
Determine Remaining By Calculated	Current %* 0	<input type="checkbox"/> Out of Gas	Times Out of Gas 0
Delivery By* Fill Percent	Delivery Amount (%)* 0	Charge Price (\$/Gal) 3.85	

- **Product Name / Product ID / Product Location**
 - If a Tank is not selected, the following message displays: *Select a Tank to manage delivery options.*
 - Once a tank is selected, the *Product Name*, *Product ID*, and *Product Location* attached to the Tank will display. Using the **Change Product** button opens a Product search overlay for a new Product selection.
 - If there is not a Product attached to the Tank, **+ Product** displays and is mandatory to save an Product Delivery Order.
- **Determine Remaining By / Current %**
 - If a tank has a monitor, the *Determine Remaining % By* drop-down will default to *Monitor with Current (%)* or optionally choose *Calculated*.
 - If a Tank does not have a monitor, the default is *Calculated* and displays in a read-only state with *Estimated (%)*. *Estimated (%)* will default to values in the database but can be changed.
- **Out of Gas** – Mark the tank on the as *Out of Gas*
 - **Times Out of Gas** – Counts how many times the Tank has previously been out of gas.
- **Delivery By** – Defaults to *Fill Percent* or choose *Number of Gallons* or *Amount of Purchase*.
- **Delivery Amount (%) / Delivery Amount (Gal) / Amount of Purchase (\$)**
 - If *Fill Percent* is selected, *Delivery Amount %* displays with an initial value of 0. This can be changed if needed and has a maximum of three numeric characters.
 - If *Number of Gallons* is selected, *Delivery Amount (Gal)* displays with an initial value of 0. This can be changed if needed and has a maximum of five numeric characters.

- If *Amount of Purchase* is selected, *Amount of Purchase (\$)* displays with an initial value of 0. This can be changed if needed and has a maximum of four numeric characters.
- **Charge Price** – Price charged per gallon.

Notify Driver

Upon saving the PDO, a standard formatted email will be sent to the email associated with that driver. By default, any Drivers already linked to a tank will display. Additional drivers can be selected by choosing the **+ Add Driver** button.

Note: Only drivers with email entries added in desktop Agvance will display.

Notify Drivers ▲

Close

- **Delete** – Removes the selected Driver from receiving notifications.
- **+ Add Driver** – When selected, a Driver search modal displays to choose from a list of active drivers.

Saving or Canceling

Select **Create Order** will save the new Product Delivery Order and route back to the *Orders* list page. A validation banner at the bottom of the screen indicates the order has successfully been saved.

- If any required inputs are empty, the validation banner will display at the top of the page, below the header, calling attention to required inputs.
 - A Tank must be added.
 - *Delivery Amount (% or Gal)* or *Amount of Purchase (\$)* must be entered.
 - The validation banner and error state of inputs will display until the user selects **Create Order** after entering required content.

Select **Cancel** to close out and return to the *Orders* screen. If any field was populated, a message displays stating the Tank will not be saved. Select **Discard & Continue** to cancel the Tank or **Go Back** to return to the *Add Product Delivery Order* form.

Product Delivery Order Will Not Be Saved

If you leave this page without saving, any information entered for this product delivery order will not be saved.

[Discard & Continue](#) [Go Back](#)

Pending Invoice(s)

To view all driver deliveries made and communicated from AME but not yet invoiced during the day, navigate to the *Pending Invoice* tab. When the page is refreshed, or upon the initial open of Orders page the *Pending Invoice* number will update. Pending Invoices have their own numbering system that would not match Invoices. These are called ticket numbers in Agvance.

The list can be narrowed down by selecting the **Filter** icon and entering a filter criteria or or any grid cell with the search bar located in the header. When typing, the grid will populate based on the text entered. Choose the **Ellipsis** at the top to *Reset Grid* from filtering or *Autofit Columns*.

The screenshot shows the Agvance Energy Orders interface. The top navigation bar includes the Agvance sky logo and a dropdown menu for Energy. The main header displays "Energy Orders" with a search bar and a notification icon. Below the header, there are tabs for "Product Delivery Orders", "Pending Invoices (1)", "AR Invoices", "Budget Billing Invoices", and "Bookings". The "Pending Invoices (1)" tab is selected and highlighted with a red box. Below the tabs, there are buttons for "X 0", "0", and "Export". The main content area is a table with columns: Ticket Number, Delivery Date, Location Id, Location Name, Driver Id, First Name, and Last Name. Each column has a "Filter" icon. The table contains one row with the following data: Ticket Number: 23, Delivery Date: 03/22/2019, Location Id: 00MAIN, Location Name: SSI Farm Services - IL, Driver Id: --, First Name: --, Last Name: --.

Ticket Number	Delivery Date	Location Id	Location Name	Driver Id	First Name	Last Name
23	03/22/2019	00MAIN	SSI Farm Services - IL	--	--	--

AR Invoices

View a listing of Energy Invoices tied to Product Delivery Orders (PDO) on the *Invoices* tab at *SKY / Energy / Orders*. The list can be narrowed down by selecting the **Filter** icon and entering a filter criteria or or any grid cell with the search bar located in the header. When typing, the grid will populate based on the text entered. Choose the **Ellipsis** at the top to *Reset Grid* from filtering or *Autofit Columns*.

Budget Billing Invoices

The *Budget Billing Invoices* tab displays a list view of all Budget Billing customer invoices at SKY / Energy / Orders. The list can be narrowed down by selecting the **Filter** icon and entering a filter criteria or any grid cell with the search bar located in the header. When typing, the grid will populate based on the text entered. Choose the **Ellipsis** at the top to *Reset Grid* from filtering or *Autofit Columns*.

Select any **Budget Invoice Number** to open an Invoice details page that includes Tank and Customer information (with *Customer Name* and *Tank Serial Number* redirecting to their respective pages with required SKY Customer access), Invoice details, Product details and Pricing information.

Selecting the **Paid** status from *Budget Billing Invoices* tab opens the Customer's *Payments* page in SKY Customer in a

new tab.

For all non-budget billing energy invoices see the AR Invoices tab.

The screenshot displays the 'Energy Orders' page in the Agvance Sky system. The page features a search bar at the top right and a navigation sidebar on the left. The main content area shows a table of energy orders with the following columns: Budget Invoice #, Invoice Date, Status, Location ID, Location, Customer Name, Customer ID, Tank Serial No., Tank Description, and Month. The table contains 12 rows of data. The status column shows 'Open' or 'Paid' with corresponding icons. The interface includes a search bar, navigation tabs, and a sidebar menu.
